The keystone of exhibiting is the Oklahoma Society of CPAs 2010 Annual Members Meeting. It features education sessions on the hottest financial topics as well as the Annual Business Meeting. This event draws more than 250 attendees from a diverse range of companies, practice areas and positions. There are twice as many breaks to visit with exhibitors and additional sessions on the latest accounting updates to attract attendees.

This year's evening event includes a special sponsorship and networking opportunity for two representatives of your company. The reception and awards banquet features a "Cirque du CPA" theme promising amazement, fantasy and acts of artistry.
